

Preamble

The purpose of this document is to promote a professional working environment by establishing rules and regulations, which shall be titled I.A.T.S.E. Local 500 Hiring and Referral Rules and Regulations.

The ultimate goal is to promote work ethics, integrity, credibility and above all, unity among each person signing this instrument.

To implement these Rules and Regulations, a Committee shall be appointed by the President of Local 500. The "Hiring Hall and Referral Committee," hereafter referred to as The Committee, shall meet no less than quarterly. However, it may meet more often to conduct business necessitated by rule violators, complaints, or incidents, which need immediate addressing, upgrade requests or any situation requiring the attention of The Committee.

As seen fit, The Committee may create a sub-committee(s) for the purpose of researching incidents and reporting back to The Committee at its next scheduled meeting. If the research is of a critical nature, an emergency meeting may be called. If the information is deemed less critical, it may be disseminated by e-mail or telephone to Committee members.

As technology advances and areas of specialties increase, a sub-committee may be appointed to research the feasibility of modifying the requirements for upgrading those with special skills necessary for Local 500 to fulfill its contractual obligations with its employers. This ad hoc committee shall be ongoing as the nature of the business changes.

Addendums may be added to these Rules as seen fit by The Committee.

Section 1. REGISTRATION FOR REFERRAL

Registration

Periodically, when necessitated by labor needs, Local 500 may open its Referral Hall to new applicants. Referral applicants must submit a resume, letters of reference from previous employers in the same/similar industry and copies of a valid Driver's License and Social Security Card or appropriate documentation as required by Federal Law. Upon review and validation of these documents, if accepted, an application will be sent accompanied by a letter to be presented to the Broward County Sheriff's Department from which a Port Everglades ID must be obtained. Applicants must apply in person and pay all fees required for this Port ID. The completed application and the Port ID will be then be submitted to

Local 500, along with a non-refundable processing fee of \$65.00. **This fee does not guarantee work nor does it imply membership in Local 500.**

At that time, a Local 500 picture ID will be issued which must be displayed on each and every call or you will not be permitted to work. Upon completion of this process, the registrant will be placed on the probationary "C" List. All applicants may be subject to drug testing and a background check by the employer.

Any referent removed from the referral system may reapply after 90 days. If accepted, the re-hire will be required to complete the above mentioned registration process and will then be placed on the probationary "C" List. Any referent in good standing who voluntarily removed themselves from the worklist may request to be re-instated to the bottom of the list from which they were removed.

Falsifying or altering evaluations is a major offense.

The Local is a referral agent not an employer.

Referral Fees

All persons who obtain employment through the Hiring and Referral System must pay a referral fee, as established by The Committee, which is a percentage of the gross wages earned by the referral of work through the Hiring and Referral System.

Referral fees are due by the fifteenth (15th) day of each month for all wages paid during the preceding month.

Failure to pay referral hall fees by the prescribed time will result in suspension from the work list. Any referent more than six months in arrears will be removed from the work list.

Moving Picture Projectionist and Maintenance Technicians working in Motion Picture exhibition houses shall pay one (1%) percent of their gross wages as a referral fee.

Treasurers and Ticket Sellers and other front of House Employees shall pay one (1%) percent of their gross wages as a referral fee.

Airline Motion Picture and Video Technicians shall pay one (1%) percent of their gross wages as a referral fee.

Facility Maintenance and Set-up Employees shall pay one (1%) percent of their gross wages as a referral fee.

All other covered crafts will pay five (5%) percent of their gross wages as a referral fee.

Section 2. ESTABLISHMENT OF LISTS

Stagehand only “A” and “B” lists

To qualify for the Stagehand ONLY “A” and “B” Lists, a person must satisfy the requirements for hours worked as provided below and complete the applicable testing requirements.

The hours required for elevation to either the “A” or “B” Lists are accrued during the seasonal year, July 1 through June 30. The hours required are as follows:

“A” List - 1100 hours per seasonal year for three years within the previous five years of referrals through Local 500.

“B” List - 800 hours per seasonal year for two years within the previous five years of referrals through Local 500.

Up to 100 hours of voluntary service to Local 500, or approved community service, may be applied to the hours necessary to elevate to any Stagehand list.

Wardrobe only “A” and “B” lists

To qualify for the Wardrobe ONLY “A” and “B” Lists, hours and testing are required.

“A” List - 900 wardrobe hours per seasonal year for three years within the previous five years of referrals through Local 500.

“B” List - 650 wardrobe hours per seasonal year for two years within the previous five years of referrals through Local 500.

Up to 80 hours of voluntary service to Local 500, or approved community service, may be applied to the hours necessary to elevate to any Wardrobe list.

“C” list

To qualify for the “C” list a person must submit six (6) satisfactory performance evaluations from their job stewards.

Special Skills

If a "B" list person has a verifiable special skill that may be required to fulfill certain contractual obligations, credentials may be submitted to the Hiring Hall and Referral Committee substantiating and documenting those skills. Those credentials may include, but are not limited to: Certification by a nationally recognized Entertainment Industry Organization; Membership in a nationally recognized Entertainment Industry Professional Society; Recipient of a nationally recognized Entertainment Industry Award. Each case will be individually decided on its own merits. If satisfied, after successful completion of the applicable test, the Committee may place the person on the bottom of the "A" list.

If a "C" List person has a special skill that may be required to fulfill certain contractual obligations, letters of recommendation from Department Heads in two different venues may be submitted to the Hiring Hall and Referral Committee substantiating those skills. If satisfied, after successful completion of the applicable test, the Committee may place that person on the bottom of the "B" List.

House Persons

A person who has worked as a house crew member or part of a shop crew for the same employer, is under contract or does not receive their calls directly from the Union shall be considered a House Person. Workers are required to notify the office if they become a House Person (as previously defined). Failure to do so is a major offense.

A House Person shall be listed as unavailable until they notify the call stewards in writing that they are available for work other than their House position.

A House Person who has accumulated a minimum of 800 house hours during the previous seasonal year may submit proof of their hours and request upgrade to the "A" List after successful completion of the applicable test.

Additional Information

Referents are responsible for keeping records of their hours and submitting them with a letter of intent to The Committee. **The Local cannot supply these records.**

Referents will be placed at the bottom of the appropriate "A", "B", or "C" list when approved to move to the next list.

When upgrading to the "A" or "B" list, referents will be required to take any applicable tests. A passing grade of 75% or better is required prior to upgrade. If a referent fails to achieve a passing grade they may retake the test after thirty days. A referent will only be allowed two attempts within a twelve month period.

Referents on the "C" and Probationary "C" list do not rotate.

Referents are not rotated based on seniority. The rotation system does not distinguish between members and non-members.

"A" and "B" Listers are not required to accept calls outside of their region. Any person on the "C" List or Probationary "C" list is required to accept calls in any region and or any venue within the jurisdiction of Local 500.

NOTE: Workers are required to track their Tradeshow and Display hours for payroll purposes.

Any participant not accepting referrals from the Union for a period of one (1) year will be removed from the referral system. Exceptions may be made by The Committee on a case by case basis.

Section 3. SEPARATION OF REFERRAL LISTS

There are three regional rotating lists: 1) Miami-Dade - Miami-Dade and Monroe Counties. 2) Broward – Broward County and parts of Boca Raton. 3) Palm Beach – Palm Beach, Martin and St. Lucie Counties. Once placed in a region of primary residence, it becomes permanent. Exceptions may be made by The Committee for just cause.

Section 4. REFERRAL PROCEDURES

Referents rotate according to their current place on the list and their qualifications. Each regional rotating list will rotate through the "A" List. When the "A" List becomes exhausted, rotation will continue through the "B" List. If the number of people on the call exceeds the number of referents accepting a call from the "A" and "B" lists, the Call Steward will proceed to the "A" and "B" lists of other regions. When the "A" and "B" lists from all regions have been exhausted, "C" List referents followed by the probationary "C" List referents will be called.

When a call is given out, a response is expected within a reasonable amount of time. It is understood that since cell phones are not permitted to be used during physically working hours, a break period would be considered within a reasonable response time. A referent shall not be removed from an assignment to work another job unless absolutely necessary, i.e., to cover a position that

cannot be filled by anybody else, with the approval of the Business Representative.

An employer's request for a specific referent, which may or may not be as a result of a collective bargain provision, may be granted only with the approval of the Business Representative. In cases of emergency or where referents with special skills or technical abilities are required, referents may be offered a position on the crew regardless of where they are on the rotation list, with the approval of the Business Representative.

The referent is expected to be available for the in, out and everything in between relating to calls less than one week in duration. This does not guarantee a performance call, however availability is essential. If this is not possible, the Call Steward must be advised at the time the call is given. The referent must pay careful attention when a call back is given by the Job Steward.

Once a job is accepted, a call off is not permitted. A substantiated call off emergency may be considered by The Committee. All calls are made through the Hall. **Referents cannot replace themselves.**

Calls will be given out without regard to age, race, religion, gender, sexual orientation, disability, national origin, or union or non-union affiliation. When a gender-specific request is made, the Business Representative will address the issue.

An individual contract within our trade cannot be signed with an employer without Local approval.

A referent may not take a job outside of the referral system, within our trade, with a contracting employer, without notifying the Business Representative.

Once in rotation, the referent shall be considered active and is expected to be available for work when called. If a referent wishes to be temporarily removed from rotation, "Voluntarily Inactive", a written notice must be sent to the Hall indicating the date it is to commence, the date returning and the reason for unavailability. When going back into rotation, the referent will be placed at the bottom of the List from which they were removed.

After three consecutive refused calls, unreturned calls or attempted unable to contact calls a referent shall be removed from rotation, becoming "Involuntarily Inactive", until the referent submits a letter requesting reinstatement approval by The Committee and such request is approved by The Committee. If The Committee finds the refused calls were due to circumstances beyond the referent's control or with just cause, reinstatement will be granted and the referent will be returned to the bottom of their respective List. Three "Involuntarily Inactive" events within a seasonal year is a major offense.

The Business Representative shall oversee the day to day operations of the Referral Hall.

Section 5. RULES AND REGULATIONS, OFFENSES, DISCIPLINARY ACTION AND APPEALS

The following Rules are expected to be adhered to during all referral related activities. Referents are accountable for their actions on the job site, in the Union/Referral office, at membership meetings (if applicable), on picket lines, and in any situation that may reflect upon Local 500 or the Hiring/Referral Hall in general.

If a person in any position with Local 500 or the Hiring/Referral Hall believes that any Local 500 referent, regardless of position, is not adhering to the rules, a DAF or complaint may be filed at the Union/Referral office. This must be done within fourteen (14) calendar days of the alleged violation or action causing the complaint. Should the nature of the business be critical, an emergency meeting may be called at the earliest convenience of the concerned people or Committee.

If a referent is allegedly in violation of a Rule or Regulation, and a "Disciplinary Action Form" (DAF) is submitted to The Committee, a letter will be sent to the referent with a copy of the DAF. The referent may refute allegation(s) in a letter, e-mail or fax to The Committee for consideration, which must be submitted to The Committee at the Union/Referral office no later than fourteen (14) calendar days from the postmark date of the Committee's letter. At their next meeting, The Committee will review the response. If additional information is required, The Committee will request it in a letter to the referent. If The Committee rules in favor of the referent, a letter of "No action taken" will be sent to the referent.

Disciplinary action will be applied in a fair and just manner as prescribed in the Rules. Referents have the right to appeal the decision of The Committee in a letter to the Executive Board (E-Board) via certified mail within fourteen (14) calendar days of the postmark date of the Committee decision.

Infractions will be separated into two degrees of disciplinary action: Major and Minor.

The discipline for a Major infraction will be determined by the severity of the offense, ranging from a warning, probation, fine, suspension from the rotation system, a combination of the same, or permanent removal from the rotation system.

In addition, under severe circumstances, the Business Representative may remove from a job and or immediately suspend a referent for a major

violation. This immediate suspension may remain in effect until the Hiring Hall and Referral Committee can convene an emergency hearing, no later than fourteen (14) days from to date of notification.

The discipline for a Minor infraction will range from a warning, probation, fine, suspension from the referral system or a combination.

Repeated offenses may warrant progressive action.

Fines. The following fines may be imposed as set forth below. Typically fines will be imposed in a progressive fashion unless the severity of the offense warrants otherwise. The fines below may be imposed in combination with other disciplinary action as may be warranted:

| | |
|-----------------------|----------|
| 1 st minor | \$25.00 |
| 2 nd minor | \$50.00 |
| 3 rd minor | \$100.00 |
| 1 st major | \$100.00 |
| 2 nd major | \$200.00 |
| 3 rd major | \$300.00 |

A referent who is issued a fine in accordance with the rules herein shall be suspended from further referrals until the fine is paid.
